## Bi.P.C. – NEET / EAMCET

Two Year Integrated Program for NEET and EAMCET is offered with a combination of BiPC (Biology, Physics and Chemistry) . This is for those students who are interested in Medicine and want to help mankind by saving lives. Students would be prepared for the Common Entrance Exams like NEET and EAMCET for admissions into Medical Colleges. In addition to this our BiPC-NEET students will also be exposed to New Age careers that can be considered outside the scope of being a Doctor.

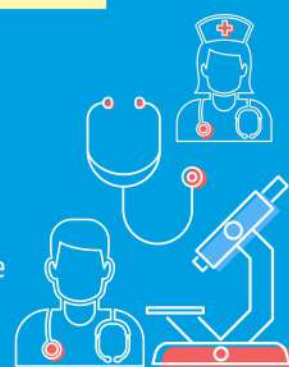

### Students can opt in future

MBBS-Bachelor of Medicine and Bachelor of Surgery	5.5 Years
BDS-Bachelor of Dental Surgery	5 Year

### Careers for students who are interested in this program:

Specialized Doctors, Scientists, Academics, Nurses, Research and Development, Psychiatrists, Psychologists, Surgeons, Nutritionist

Continuous monitoring of each and every student and providing suitable guidance

## M.P.C.

The learning program conducted by SSJC is a well-structured course. We maintain very high testing standards and expect our students to be highly motivated and responsive throughout the Learning period. We do not believe in spoon-feeding with complete explanatory solutions for simple questions though we do provide personal attention to clear queries and monitor the student's progress on a regular basis. Therefore, only those students who wish to put sufficient efforts and go through the rigorous demands of our course, are advised to join this program.

### Integrated program with regular MPC

#### MPC - Engineering (JEE + EAMCET)

The SSJC'S, besides having concrete understanding of the subject, are also prepared for the research in future at the Engineering streams making them highly coveted professionals in their field of specialisation.

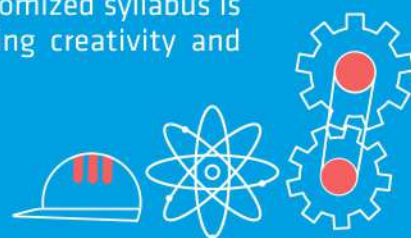

#### MPC for Engineering with Artificial Intelligence

" Artificial intelligence (AI) is a computer system able to perform tasks that ordinarily require human intelligence... Many of these artificial intelligence systems are powered by machine learning, some of them are powered by deep learning programs."

#### MPC - Architecture & Design

If you have always thought of yourself as someone creative with an eye for detail and style, then SSJC's two year integrated Architecture & Design program might be just what you are looking for.

In addition to Board prescribed syllabus for MPC , students spend two years acquiring the essentials of creation and design for exams like NATA and UCEED. Our specially customized syllabus is crafted with an intentions of provoking student curiosity, cultivating creativity and discovering the various expressions of design.

## MEC

Students who love Mathematics but not interested to get in Physics and Chemistry subjects opt for MEC, AS MEC includes Mathematics along with Economics and Commerce, this stream helps students to full fill their dreams into banking, Insurance, Taxations, Business and Management Industries.

## CEC

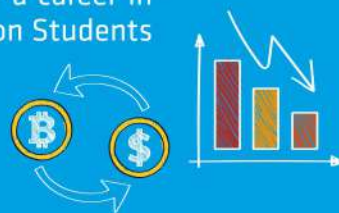

CEC is the combination of Civics, Economics and commerce subject, if you are passionate to create your own identity by changing the world by entering in politics, Business, Journalism, Banking, Tourism and more wide range of career options in different dimension within you. CEC would be right options to opt for.

### Integrated programs with regular MEC & CEC

#### MANAGEMENT

If problem – solving and people management are things you enjoy then SSJC's MEC & CEC with Management may just be your first step towards a successful career. Our course aims to lay a broad foundation in the basic principles of management for our students. Our syllabus has been designed to groom you towards a Bachelors in Management studies in the future. This combination of Mathematics, Economics, & Commerce (MEC) / (CEC) along with coaching for BBM has specific focus on Analytical ability, logical reasoning, General awareness, quantitative aptitude, language and reading comprehension which will prepare students to successfully clear UGAT and other similar entrance exams.

This program extensively covers all the areas required for National Level Entrance Examinations with Intermediate MEC / CEC. This program will also help students prepare for a career in Humanities and Social sciences such as Journalism and Mass communication Students get hands on experience for entry into premium management colleges.

## MEC / CEC - Design

If you have always thought of yourself as someone creative with an eye for detail and style, and you are good with numbers, then SSJC two year integrated MEC / CEC - Design program can be fit for you. At SSJC, students are trained in the requirement for Design.

In addition to Mathematics Economics and Commerce subject matter, students spend two years acquiring the essentials of creation and design. Our specially customized syllabus is crafted with an intentions of provoking student curiosity, cultivating creativity and discovering the various expressions of design.

## MEC / CEC - LAW

Law has always been considered a respectable profession in our country, in fact the father of our nation Mahatma Gandhi was a lawyer himself. A large number of people depend upon lawyers for their services to obtain fairness, equality and justice. So If you want truth to always prevail and have a desire to change the world by ensuring people live in a free and fair world society, while also pursuing your passion of number crunching then SSJC's 2 year integrated MEC / CEC with Law program is the one for you to enrol in.

## CA / CS

Chartered Accountancy and Company Secretary is a lucrative career option with potential job opportunities in both the government sector and the private sector.

At SSJC, our syllabus is designed in such a way that the subjects are presented to the students in a manner that is systematic and logical so that students understand the concepts clearly and develop a firm foundation of the subject.

Our concept driven approach (Prepares) our students to all types of questions that may come their way and gets them closer to clearing their entrance exams and achieving their dreams.
